This chapter is enacted pursuant to Section 701 of the City Charter to provide for the number, titles, qualifications, powers, duties, compensation and terms of employment of City officers and employees and to conform to the principle of equal pay for equal work. (Ord. 6393 § 7, 1997; prior code § 2.22)

Section 2.32.030 The salary plan.

The basic monthly compensation plan for City officers and employees shall be established by resolution of the City Council. (Prior code § 2.23)

Section 2.32.040 The classification plan.

The classification plan for City officers and employees and allocation of class titles to salary ranges shall be established by resolution of the City Council. (Prior code § 2.24)

Section 2.32.050 Salary differentials.

Exceptions to the City salary plan and classification plan shall be established by resolution of the City Council. (Prior code § 2.25)

Section 2.32.060 Administration of the salary and classification plan.

No employee shall receive less than the minimum nor more than the maximum rate of compensation established for the class to which such employee is assigned except that

reclassified employees may retain their current compensation as a special rate until the rate is included in their new class range. Initial appointments shall be made at the minimum of the salary range, but the City Manager may approve a higher initial rate of compensation if the best interests of the City so require. An employee who is promoted from one class to another class which is allocated to a higher salary range shall receive no less than the equivalent of a one-step increase in the class to which such employee is promoted. All salary advancements within each class shall not be automatic, but shall be based upon merit and fitness and upon the financial ability of the City to make such advancements.

Each employee may be granted a one-step salary increase after the completion of six months of continuous service following appointment to the first step of the classification or after completion of one year of continuous service after the appointment to any other step of the classification and in accordance with established personnel policies and procedures, and said employee may be granted a one-step salary increase at the completion of each additional year of continuous service thereafter until said employee reaches the top of the salary range for such employee's classification; provided, however, each employee appointed to an approved apprenticeship program so providing may be granted a one-step salary increase at the completion of each six months of continuous service when the work and educational standards have been completed for that step until said employee reaches the top of the salary range for that classification.

Each employee who is promoted may be granted a one-step salary increase after the completion of six months of continuous service following promotion to the first step of the new classification or one year of continuous service following promotion to any other step of the new classification in accordance with established personnel policies and procedures, and said employee may be granted a one-step salary increase upon completion of each additional year of continuous service thereafter until said employee reaches the top of the salary range for that classification.

If a position is reclassified to a classification in which the salary range is higher and it is administratively determined that the incumbent meets the minimum qualifications and selection requirements of the classification and is in fact performing the full range of duties and responsibilities of that position, the incumbent of the position shall be entitled to a salary increase which shall advance such employee to the closest step within the new range that would provide a five percent salary increase.

Notwithstanding the foregoing, the City Manager may approve a special meritorious increase prior to the expiration of the required time. All appointments, promotions, merit and salary increases shall be recommended by the department head and approved by the City Manager.
